Privacy Policy – Neo Hospital

At **Neo Hospital**, we are committed to protecting your personal data and ensuring transparency about how your information is collected, used, and safeguarded. This Privacy Policy is published in accordance with the **Information Technology Act, 2000**, and the rules made thereunder.

1. Introduction

Neo Hospital ("Company") and its Subsidiary respect your privacy and are dedicated to maintaining the confidentiality of your personal information. This Policy outlines how we collect, store, use, and protect sensitive personal data and information ("SPDI").

By accessing or using our website, digital platforms, or availing healthcare services at Neo Hospital, you consent to the terms of this Privacy Policy.

2. Information We Collect

We may collect the following types of information from patients, visitors, and users:

- **Personal Information** – such as name, gender, age, address, contact details, and identification numbers.
- **Medical Information** – health records, medical history, prescriptions, diagnostic reports, treatment details.
- **Financial Information** – payment details, billing information, insurance details.
- **Technical Information** – cookies, IP address, browser type, and website usage details.

3. Consent Mechanism

Before collecting any sensitive personal data or information, **explicit consent** is obtained from patients or their authorised representatives.

- By signing consent forms at the hospital or through digital acknowledgement on our website, you agree to provide accurate and voluntary information.
- You may withdraw your consent at any time by writing to us at the contact provided in this Policy. However, withdrawal of consent may impact our ability to provide certain

services.

4. Purpose of Collection and Use

Your information is collected and used only for:

- Providing healthcare, diagnostic, and treatment services.
- Maintaining medical records for continuity of care.
- Processing payments, insurance claims, and related financial activities.
- Meeting legal and regulatory requirements.
- Improving hospital services, safety, and patient experience.

5. Data Protection and Security

Neo Hospital has implemented appropriate **administrative, technical, and physical safeguards** to protect your personal data against unauthorised access, misuse, alteration, or disclosure.

6. Rights to Erasure and Nomination

~~In accordance with the provisions of the Digital Personal Data Protection Act, 2023 (DPDP Act), individuals have the right to request the erasure of their personal data when it is no longer required for the purpose for which it was collected or when consent has been withdrawn. Furthermore, in the event of the death or incapacity of a data principal, a nominee designated by the individual shall have the right to exercise these rights on their behalf, including the right to seek erasure of personal data.~~

7. Privacy Notice Requirement under the DPDP Act:

~~In compliance with the Digital Personal Data Protection Act, 2023, our hospital provides clear and accessible privacy notices in English as well as in applicable regional languages to ensure transparency. These notices set out the categories of personal data we collect (such as identification details, health records, contact information, and medical history), the specific purposes for which such data is used (including treatment, billing, regulatory reporting, and quality improvement), and the rights available to individuals under the Act. informed of the manner in which they may exercise their rights, including access, correction, and grievance redressal. We also provide details of the designated Data Protection Officer or contact person, along with the process for lodging complaints or raising concerns, ensuring that patients are aware of how their information is handled and how they can seek support.

8. Protection of Children's Personal Data

We are committed to safeguarding the personal data of children in compliance with the Digital Personal Data Protection Act, 2023. Where the personal data of a child (below the age of 18 years) is collected or processed, we will obtain the verifiable consent of the child's parent or lawful guardian prior to such collection or use. We do not engage in tracking, behavioural monitoring, targeted advertising, or any processing that may be detrimental to the child's well-being. Our practices are designed to provide enhanced protection and ensure that children's personal data is handled with the utmost care and sensitivity.

9. Disclosure of Information Rights to Erasure and Nomination

We do not sell, rent, or trade your personal information. Your data may only be disclosed:

- To doctors, medical staff, or laboratories directly involved in your treatment.
- To insurance providers, if authorised by you.
- To government authorities, if required under law.

10. Rights of Information Providers

As per applicable law, you have the right to:

- Access and review the personal information you have shared.
- Request corrections or updates to your data.
- Withdraw consent for data usage (subject to hospital obligations).

11. Data Breach Notification

In accordance with the Digital Personal Data Protection Act, 2023, if there is any unauthorized access, disclosure, or breach of your personal data, we are committed to taking immediate
